

MS Office

Office install step-by-step printable guide

In this tutorial, we will show you how to perform an installation of Office.

To do this you will need:

- A PC with Windows on it

1. Download Office from [HERE](#)
2. Log in to Microsoft's account

Hi. Let's get started.

- ① Sign in with your Microsoft account

You'll use your Microsoft account for everything you do with Microsoft 365 or Office. If you use a Microsoft service like Outlook.com, OneDrive, Xbox Live, or Skype, you already have an account.

Sign in

Create a new account

Already entered a product key and looking for your software? [Install from your Microsoft account](#)

- ② Enter your product key

- ③ Get your apps

3. Enter your product key

Hi. Let's get started.

① Signed in as Support Support
