

MS Office Change License

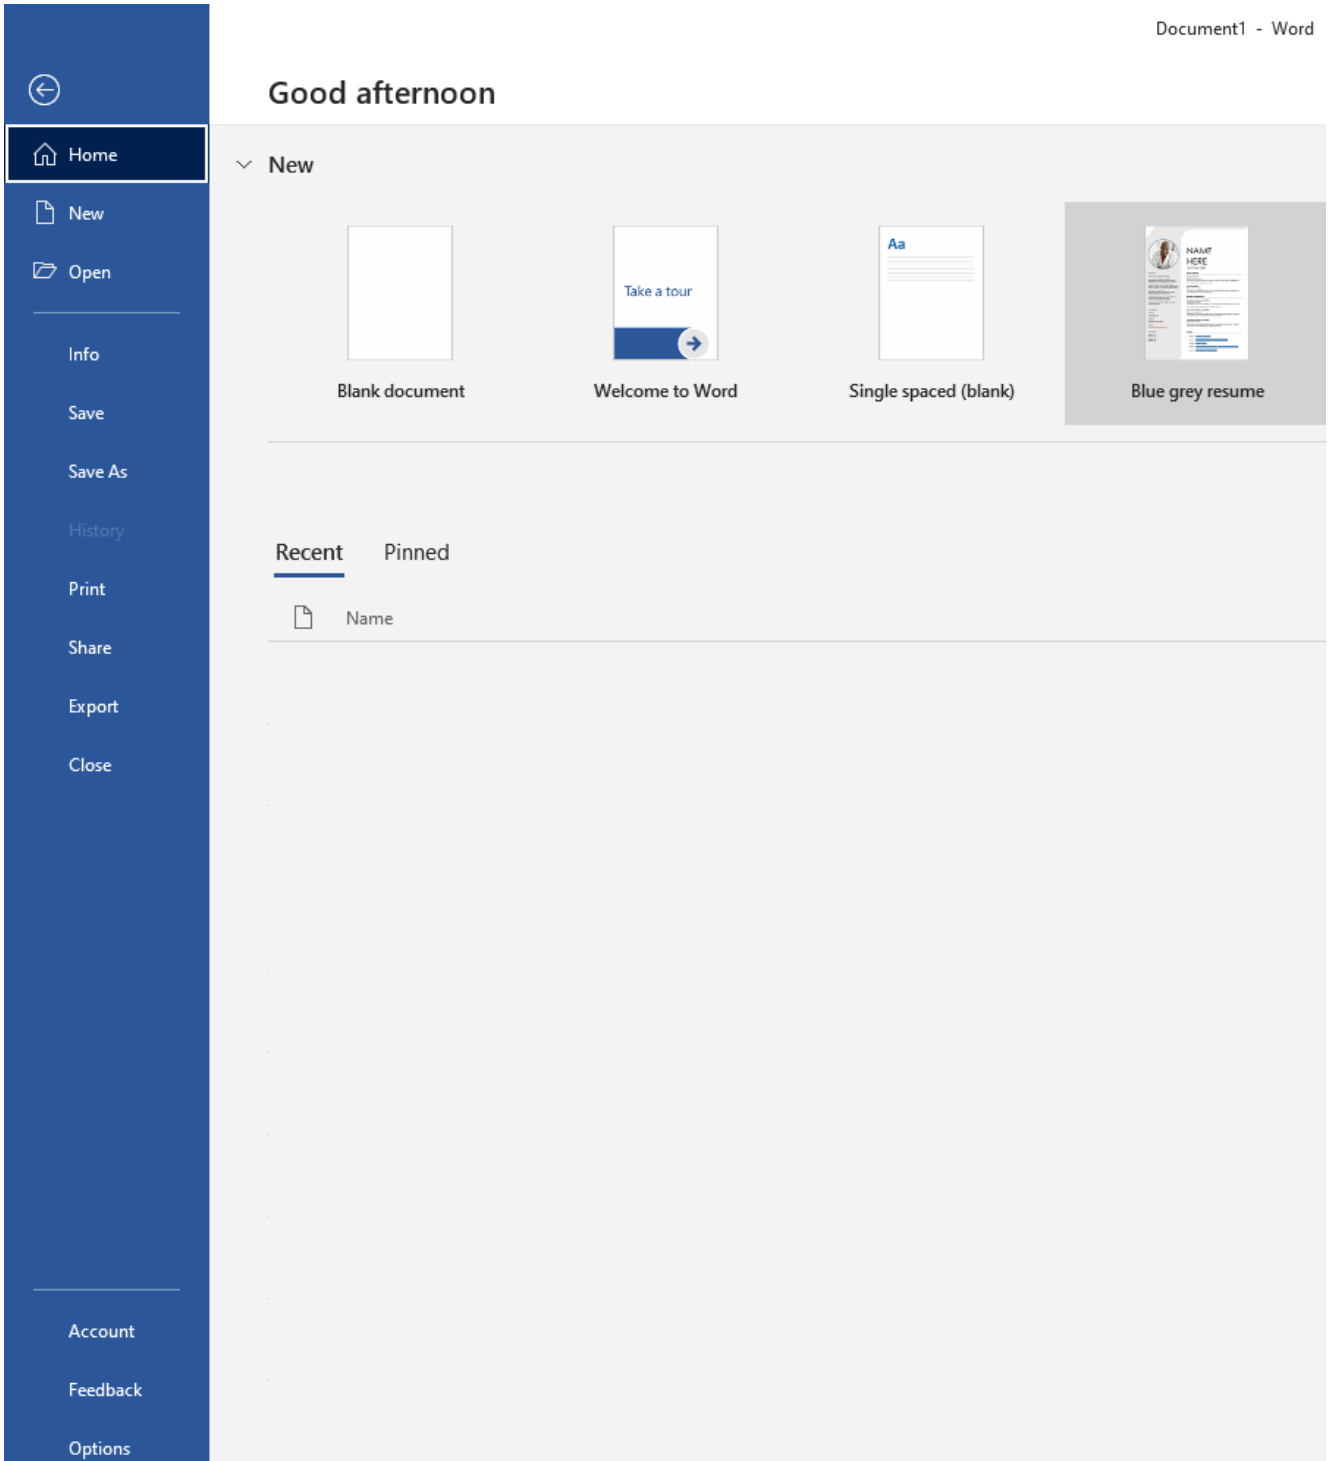

Office Change License (applicable for 2016 and 2019 versions)

In this tutorial, we will show you how to change your Office License

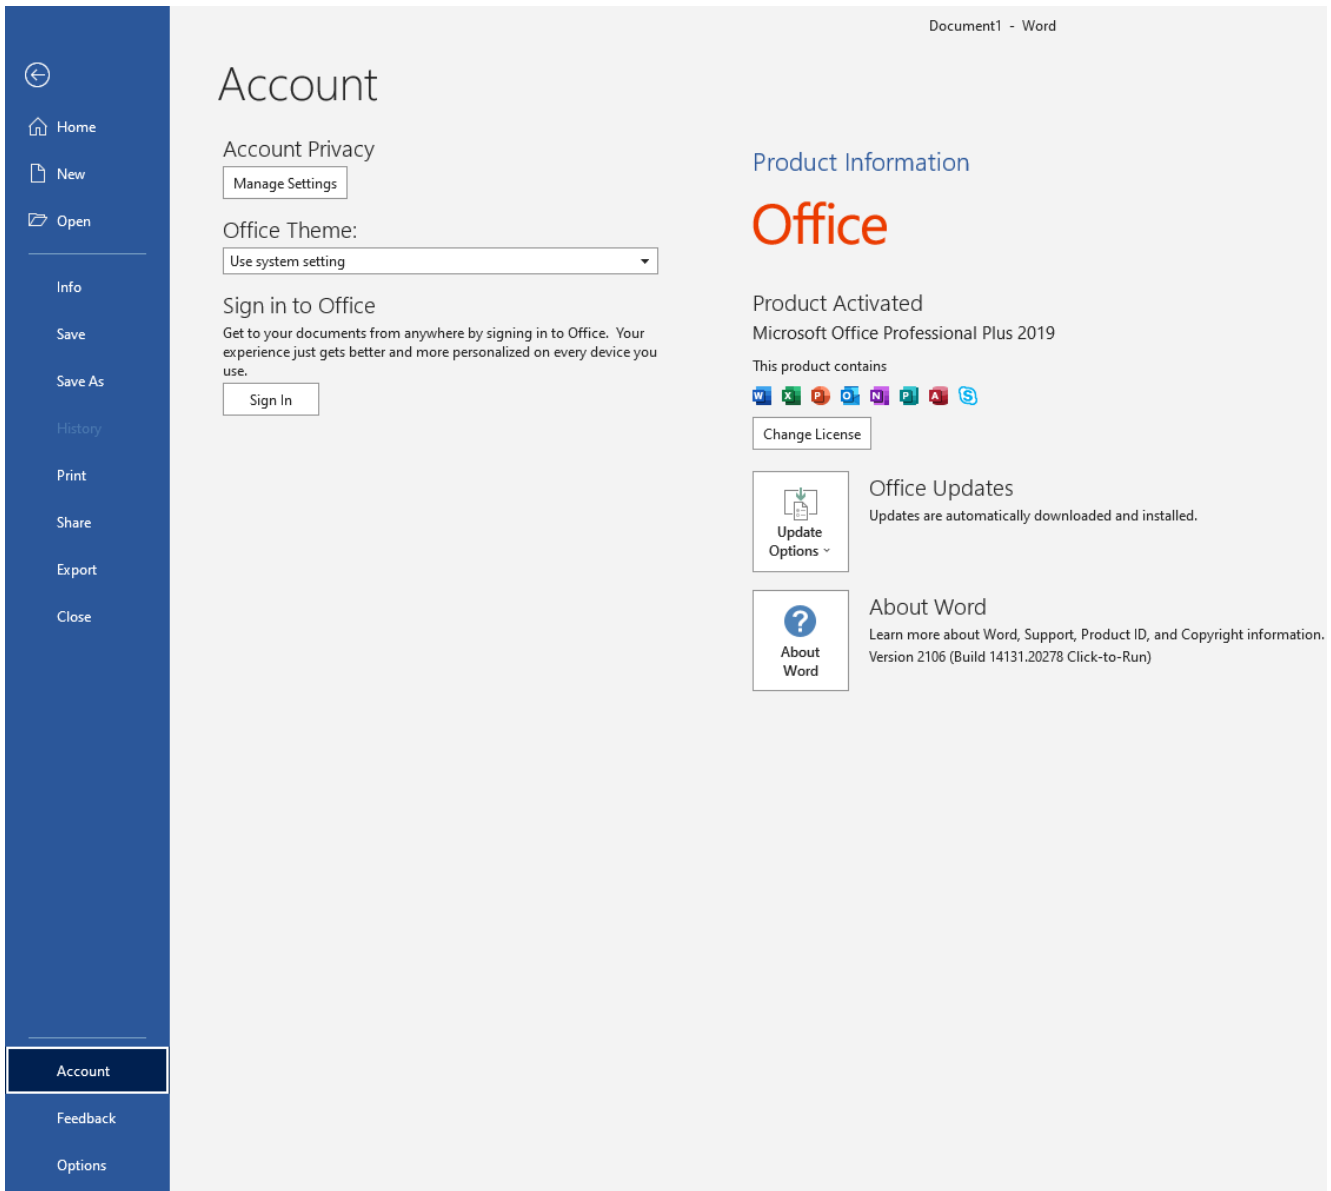

1. Open any of your programs directly from your start menu for example by typing Word

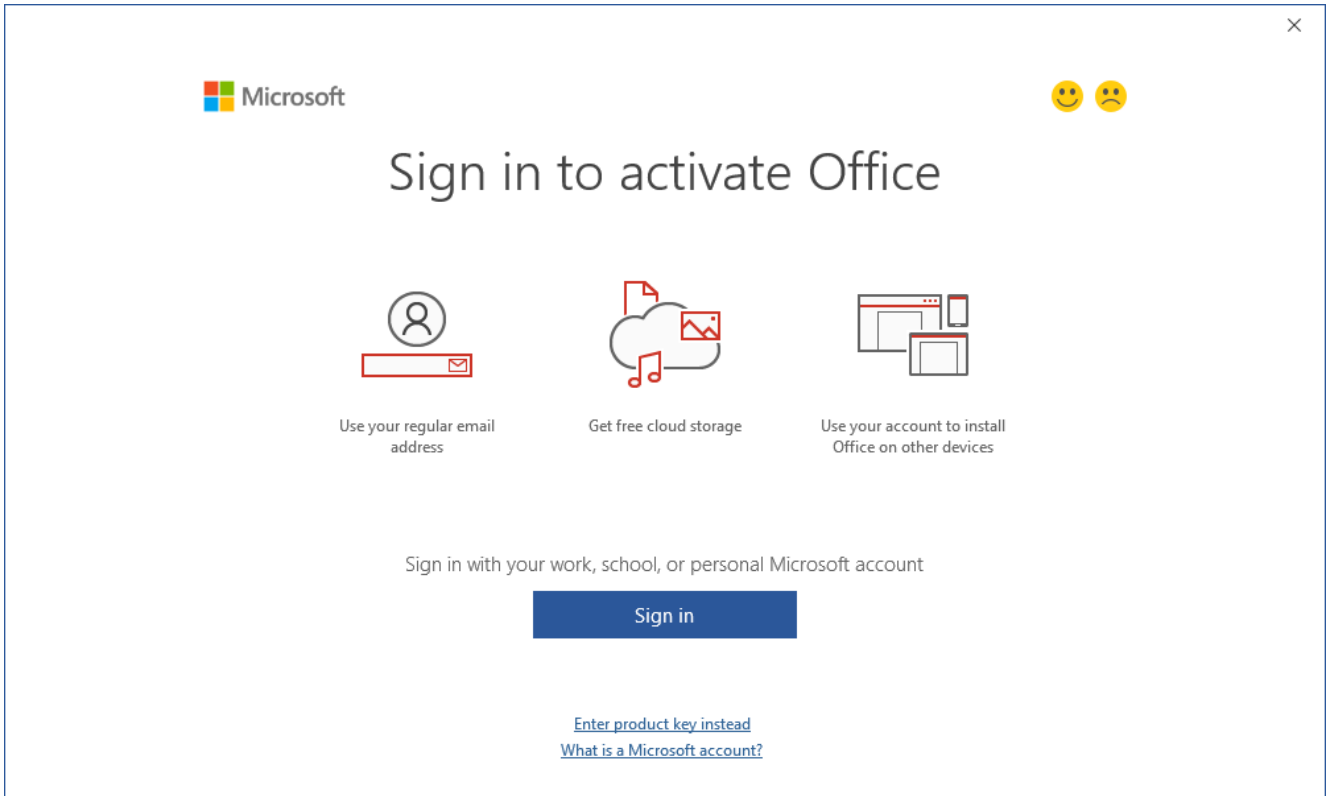

2. Click on Account in the left bottom corner if you not seeing this page click on File in the left top corner

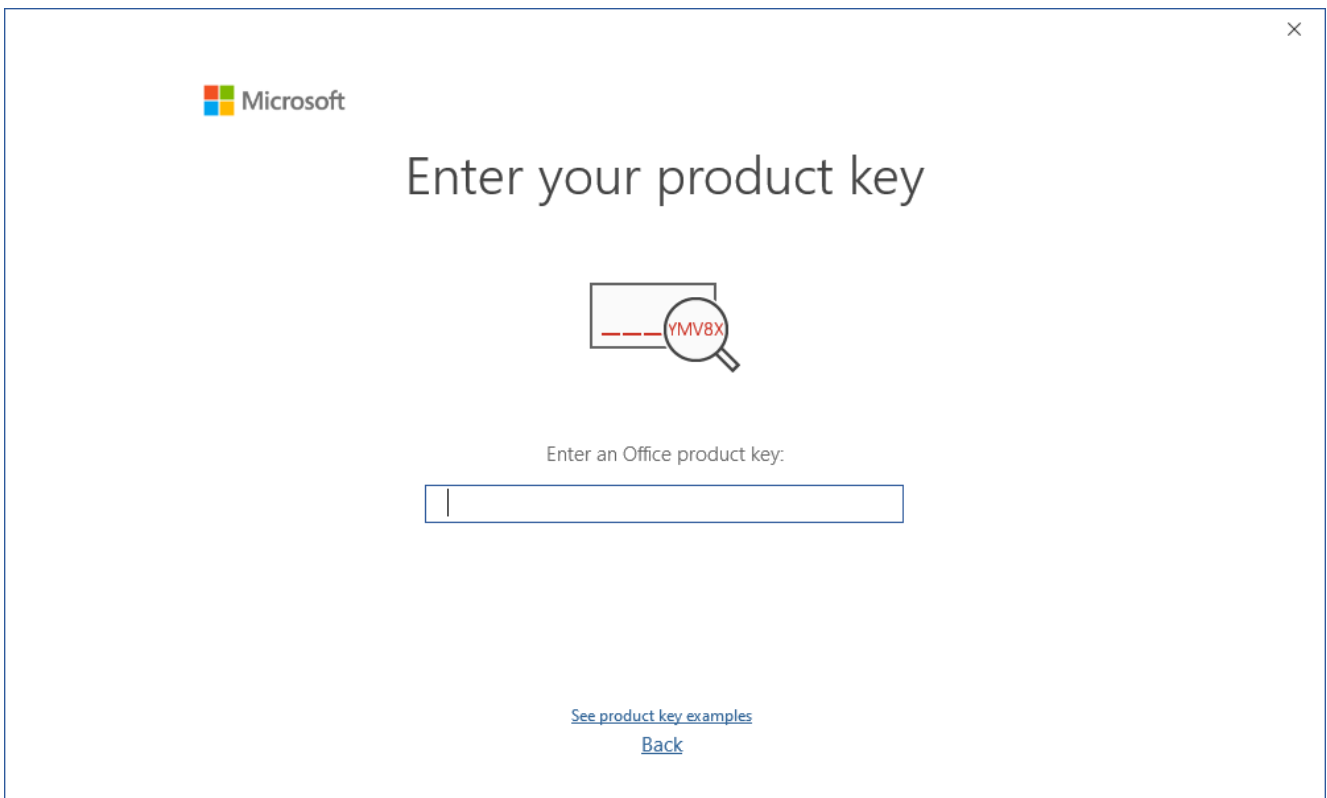

3. Click on Change License

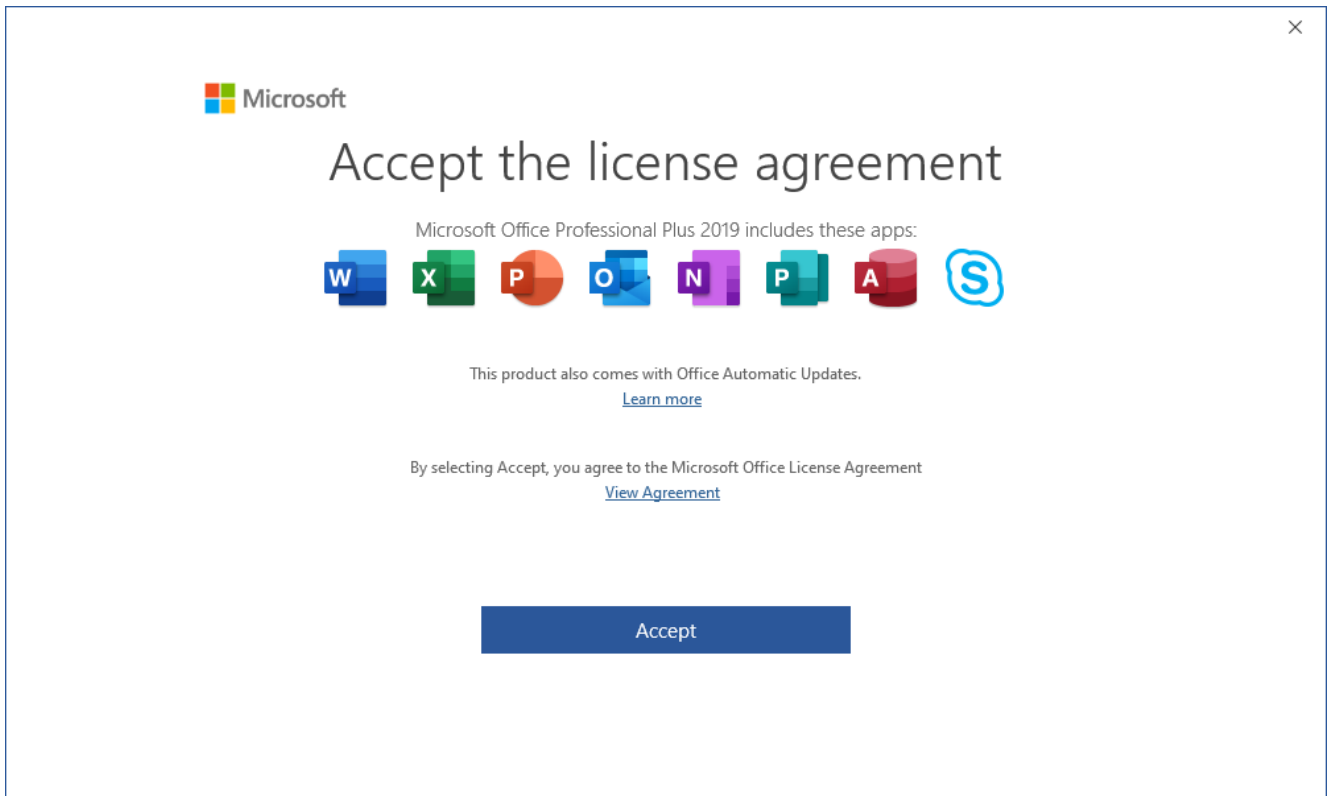

4. Click on Enter Product key instead

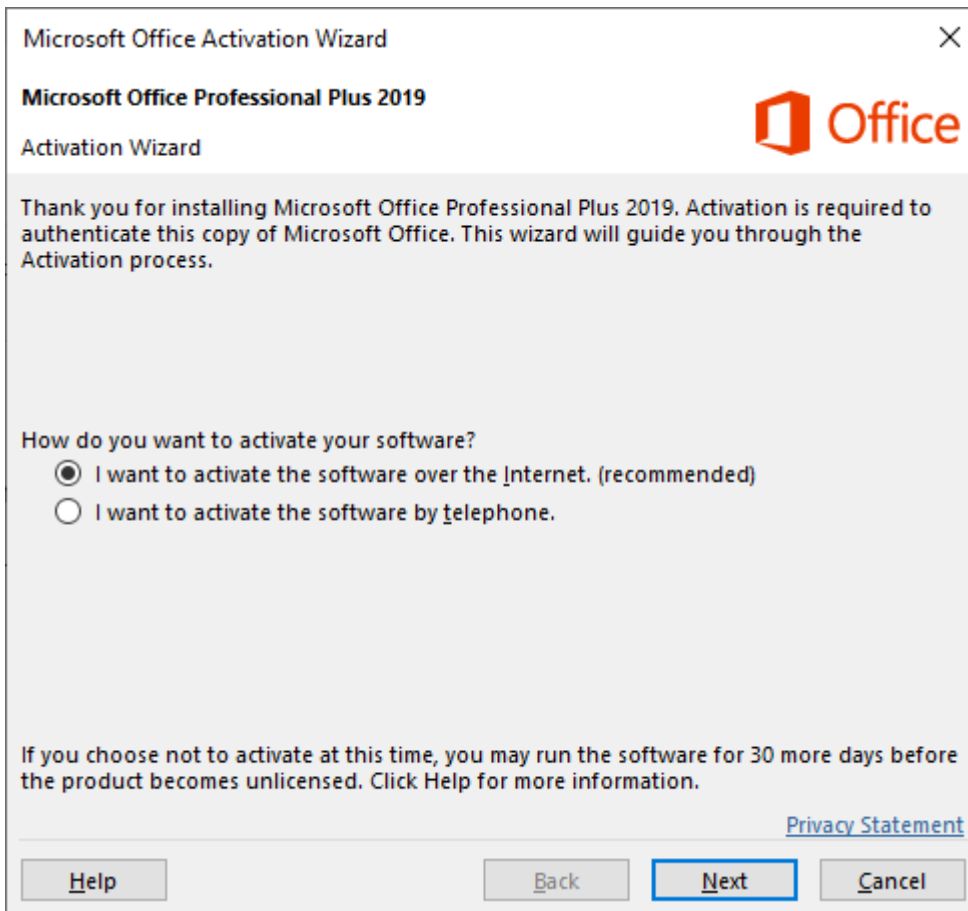

5. Enter an Office License key – if you don't have a key, get one here: shop.recycled-software.com/product-category/microsoft-office

6. Click on Accept

7. Select the activation method and then click on Next

8. Congratulations it is ready to use

Microsoft Office Activation Wizard

Microsoft Office Professional Plus 2019

Activation Wizard

Thank you. Your copy of Microsoft Office Professional Plus 2019 is activated.
To make your changes take effect, exit and restart any open Office programs.
